**ANNUAL MEETING OF STOCKHOLDERS**  
**October 8, 2025**

**INTRODUCTION**

The enclosed Proxy is solicited on behalf of the Board of Directors of the Fund (the “Board”) for use at the Annual Meeting of Stockholders (the “Meeting”) of Royce Small-Cap Trust, Inc. (the “Fund”), to be held at the offices of the Fund, One Madison Avenue, New York, New York 10010, on Wednesday, October 8, 2025, at 11:00 a.m. (Eastern Time) and at any postponements or adjournments thereof. The approximate initial mailing date of the Notice of Internet Availability of Proxy Materials is August 22, 2025.

All properly executed Proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, Proxies will be voted “FOR” the election of the Director nominees of the Fund.

You may revoke your Proxy at any time before it is exercised by sending written instructions to the Secretary of the Fund at the Fund’s address indicated above or by filing a new Proxy with a later date, and any stockholder attending the Meeting may vote in person, whether or not he or she has previously filed a Proxy.

The cost of soliciting proxies will be borne by the Fund, which will reimburse brokerage firms, custodians, nominees and fiduciaries for their expenses in forwarding proxy material to the beneficial owners of the Fund’s shares of common stock (“Common Stock”). Some officers and employees of the Fund and/or Royce & Associates, LP, the Fund’s investment adviser, may solicit proxies personally and by telephone, if deemed desirable. Royce & Associates, LP primarily conducts its business under the name Royce Investment Partners (“Royce”). Stockholders vote at the Meeting by casting ballots (in person or by proxy) which are tabulated by one or two persons, appointed by the Board before the Meeting, who serve as Inspectors and Judges of Voting at the Meeting and who have executed an Inspectors’ and Judges’ Oath.

The Board has set the close of business on August 5, 2025, as the record date (the “Record Date”) for determining those stockholders entitled to vote at the Meeting or any postponement or adjournment thereof, and only holders of record at the close of business on that day will be entitled to vote. Stockholders on the Record Date will be entitled to one vote for each outstanding share of Common Stock held (proportional voting rights for fractional shares held), with no shares having cumulative voting rights.

The Board knows of no business other than that stated in Proposal 1 of the Notice of Annual Meeting that will be presented for consideration at the Meeting. If any other matter is properly presented at the Meeting or any postponement or adjournment thereof, it is the intention of the persons named on the enclosed Proxy to vote in accordance with their best judgment.

However, if any of them becomes unwilling or unable to serve, the persons named in the accompanying Proxy will vote for the election of such other persons, if any, as the Board may nominate.

Mr. Shields has over 30 years of investment and business experience, including extensive experience in the financial sector.

The Board believes that each Director's experience, qualifications, attributes and skills should be evaluated on an individual basis and in consideration of the perspective such Director brings to the entire Board, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice, public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or non-profit entities or other organizations; and/or other life experiences. The charter for the Board's Nominating Committee contains certain other specific factors considered by the Nominating Committee in identifying and selecting Director candidates (as described below).

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with Royce, and also may benefit from information provided by Royce's internal counsel; both the Board's and Royce's internal counsel have significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

## **Board Composition and Leadership Structure**

The Investment Company Act requires that at least 40% of the Fund's Directors not be "interested persons" (as defined in the Investment Company Act) of the Fund and as such are not affiliated with Royce ("Independent Directors"). To rely on certain exemptive rules under the Investment Company Act, a majority of the Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the Investment Company Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, six of the Fund's seven Directors are Independent Directors. The Board does not have a chairman, but the President, an interested person of the Fund, acts as chairman at the Board meetings. The Independent Directors have designated Christopher C. Grisanti as lead Independent Director. As lead Independent Director, Mr. Grisanti generally acts as chair of meetings or executive sessions of the Independent Directors and, when appropriate, represents the views of the Independent Directors to Royce management. The Board has determined that its leadership structure is appropriate in light of the services that Royce and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

## **Audit Committee Report**

The Board has a standing Audit Committee (the "Audit Committee"), which consists of the Independent Directors who also are "independent" as defined in the listing standards of the New York Stock Exchange. The current members of the Audit Committee are Patricia W. Chadwick, Christopher C. Grisanti, Cecile B. Harper, G. Peter O'Brien, Julia W. Poston, and Michael K. Shields. Ms. Poston serves as Chair of the Audit Committee. Ms. Chadwick, and Ms. Poston have been designated as Audit Committee Financial Experts, as defined under Securities and Exchange Commission ("SEC") regulations.

The principal purposes of the Audit Committee are to (i) assist Board oversight of the (a) integrity of the Fund's financial statements; (b) independent accountants' qualifications and independence; and (c) performance of the Fund's independent accountants and (ii) prepare, or oversee the preparation of any audit committee report required by rules of the SEC to be included in the Fund's proxy statement for its annual meeting of stockholders. The Board has adopted an Audit Committee charter for the Fund, a copy of which is included as an exhibit to this Proxy Statement. A copy of the Audit Committee charter for the Fund may also be obtained by calling 1-800-221-4268.

The Audit Committee also has (i) received written disclosures and the letter required by Independence Standards Board Standard No. 1 from PricewaterhouseCoopers LLP ("PWC"), the Fund's independent auditors for the fiscal year ended December 31, 2024, and (ii) discussed certain matters

required to be discussed under the requirements of The Public Company Accounting Oversight Board with PWC. The Audit Committee has considered whether the provision of non-audit services by the Fund's independent accountants is compatible with maintaining their independence.

At its meeting held on February 19, 2025, the Audit Committee reviewed and discussed the audit of the Fund's financial statements as of December 31, 2024, and for the fiscal year then ended with Fund management and PWC. Had any material concerns arisen during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's 2024 Annual Report to Stockholders, the Audit Committee would have been notified by Fund management or PWC. The Audit Committee received no such notifications. At those meetings, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2024 Annual Report to Stockholders.

### **Nominating Committee**

The Board has a Nominating Committee (the "Nominating Committee") composed of the six Independent Directors, namely Ms. Chadwick, Ms. Harper, and Ms. Poston, and Messrs. Grisanti, O'Brien, and Shields. Mr. O'Brien has served as Chair of the Nominating Committee in the past, including during 2023, the last year in which it held meetings. The Board has adopted a Nominating Committee charter for the Fund, a copy of which is included as an exhibit to this Proxy Statement. A copy of the Nominating Committee charter for the Fund may also be obtained by calling 1-800-221-4268.

The Nominating Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Nominating Committee will consider Director candidates recommended by stockholders. In considering potential nominees, the Nominating Committee will take into consideration (i) the contribution which the person can make to the Board, with consideration given to the person's business and professional experience, education and such other factors as the Committee may consider relevant, including but not limited to whether a potential nominee's personal and professional qualities and attributes would provide a beneficial diversity of skills, experience and/or perspective to the Board; (ii) the character and integrity of the person; (iii) whether or not the person is an "interested person" as defined in the Investment Company Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund; (iv) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; (v) whether or not the person is financially literate pursuant to the New York

Stock Exchange's audit committee membership standards; (vi) whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vii) whether or not the person is willing to serve as, and willing and able to commit the time necessary for the performance of the duties of, a Director of the Fund; and (viii) whether or not the selection and nomination of the person would be in the best interest of the Fund in light of the requirements of the Fund's retirement policies. While the Nominating Committee does not have a formal policy regarding diversity, as noted above, it may consider the diversity of skills, experience and/or perspective a potential nominee will bring to the Board as part of its evaluation of the contribution such potential nominee will make to the Board. Such factors will be considered in light of the other factors described above and in the context of the Board's existing membership at the time such potential candidate is considered.

To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include biographical information and set forth the qualifications of the proposed nominee. The stockholder recommendation and information described above must be sent to the Fund's Secretary, John E. Denneen, c/o Royce Small-Cap Trust, Inc., One Madison Avenue, New York, New York 10010.

Although the Board does not have a standing compensation committee, the Independent Directors review their compensation annually.

### **Distribution Committee**

The Board has a Distribution Committee (the "Distribution Committee"), comprised of Christopher D. Clark. As noted above, Mr. Clark is an "interested person" of the Fund within the meaning of Section 2(a)(19) of the Investment Company Act. The Distribution Committee is responsible for, among other things, approving the Fund's payment of dividends from net investment income and distributions from capital gains, if any, to ensure compliance with the requirements of Subchapter M of the Internal Revenue Code of 1986, as amended.

### **Board's Oversight Role in Management**

The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily Royce and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the lead Independent Director and the Chair of the Audit Committee, acting between Board meetings, regularly interacts with and receives reports from senior personnel

of service providers, including the Fund's and Royce's Chief Compliance Officer and portfolio management personnel. The Audit Committee (which consists of the six Independent Directors) meets during its scheduled meetings, and between meetings the Chair of the Audit Committee maintains contact with the Fund's independent registered public accounting firm and the Fund's Treasurer. The Board also receives periodic presentations from senior personnel of Royce or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, investment research and securities lending. The Board also receives reports from counsel to Royce and the Board's own independent legal counsel regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

### **Committee and Board of Directors Meetings**

During the year ended December 31, 2024, the Board held eight meetings, the Audit Committee held four meetings, and the Nominating Committee did not hold any meetings. The Distribution Committee took action in respect of the Fund five times by written consent during such period. Each Director in office during the year ended December 31, 2024, attended 75% or more of the aggregate of the total number of meetings of the Board and the total number of meetings of the Audit Committee and the Nominating Committee held during that year.

### **Compensation of Directors**

For the period January 1, 2024, to December 31, 2024, each of the Independent Directors was paid at an annual rate of \$18,000 for serving on the Board, plus \$1,000 for each Board meeting attended. In addition, Christopher D. Grisanti received an additional \$2,656 from the Fund for serving as lead Independent Director, and Julia W. Poston received an additional \$1,770 from the Fund for serving as Chair of the Audit Committee, for the year ended December 31, 2024. No Director received remuneration for services as a Director for the year ended December 31, 2024, in addition to or in lieu of this standard arrangement. Each Independent Director will continue to receive an annual rate of \$18,000 for serving on the Board, plus \$1,000 for each Board meeting attended for the year ending December 31, 2025. Christopher D. Grisanti will continue to receive an additional \$2,656 from the Fund for serving as lead Independent Director and Julia W. Poston will receive an additional \$1,770 from the Fund for serving as Chair of the Audit Committee for the year ending December 31, 2025.

Any stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), must continue to meet all the requirements of Rule 14a-8. See "Additional Information – Stockholder Proposals" herein.

**Director Attendance at Stockholder Meetings**

The Fund has no formal policy regarding Director attendance at stockholder meetings. One Director attended the Fund’s 2024 Annual Meeting of Stockholders.

**Compliance with Section 16(a) of the Exchange Act**

Section 16(a) of the Exchange Act requires the officers and Directors of the Fund and persons who own more than ten percent of a registered class of the Fund’s equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, Directors and greater than ten percent stockholders are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on the Fund’s review of the copies of such forms and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, the Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30(h) of the Investment Company Act (i.e., any investment adviser or affiliated person of the Fund’s investment adviser), have complied with all filing requirements applicable to them with respect to transactions in the Fund’s shares during the Fund’s most recent fiscal year.

## Vote Required

A quorum consists of stockholders representing a majority of the outstanding shares of Common Stock entitled to vote, who are present in person or by proxy, and the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote is required to elect a Director.

**The Board of Directors of the Fund recommends that all stockholders vote "FOR" all of the Director nominees.**

## **FEES PAID TO INDEPENDENT AUDITORS**

### **Audit Fees**

The aggregate fees paid to PWC in connection with the annual audit of the Fund's financial statements and for services normally provided by PWC in connection with the statutory and regulatory filings of the Fund for the fiscal years ended December 31, 2024, and December 31, 2023, were \$54,040 and \$52,447, respectively.

### **Audit Related Fees**

No fees were paid to PWC in connection with assurance and related services related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for the fiscal years ended December 31, 2024, and December 31, 2023.

### **Tax Fees**

The aggregate fees paid for tax-related services, including preparation of tax returns, tax compliance and tax advice, rendered by PWC to the Fund for the fiscal years ended December 31, 2024, and December 31, 2023, were \$11,509 and \$11,173, respectively.

### **All Other Fees**

There were no other fees billed for non-audit services rendered by PWC to the Fund for the fiscal years ended December 31, 2024, and December 31, 2023. The aggregate non-audit fees billed by PWC for services rendered to Royce and any entity controlling, controlled by, or under common control with Royce that provides ongoing services to the Fund for the fiscal years ended December 31, 2024, and December 31, 2023, were \$11,509 and \$11,173, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of PWC.

PWC did not provide any other professional services to the Fund or Royce for the year ended December 31, 2024, except for those other professional services performed by PWC in its capacity as the independent registered public accounting firm for Royce; those certain investment companies for which Royce acts as investment adviser; Franklin, an indirect corporate parent of Royce; certain Franklin affiliates; and certain investment companies for which Franklin affiliates act as investment adviser. No representatives of PWC are expected to be present at the Meeting.

## **Audit Committee's Pre-Approval Policies and Procedures**

The Audit Committee has adopted policies and procedures with regard to the pre-approval of audit and non-audit services. On an annual basis, at the September or October meeting of the Audit Committee, the independent auditors of the Fund will submit a schedule of proposed audit, audit-related, tax and other non-audit services to be rendered to the Fund and/or Royce and its affiliates for the following year that require pre-approval by the Audit Committee. Such schedule will include the maximum fees that can be paid for such services without further Audit Committee approval. Any subsequent revision to pre-approved services or fees will be considered at the next regularly scheduled Audit Committee meeting. Services not presented for pre-approval at the September meeting of the Audit Committee will be submitted to the Chief Financial Officer of the Fund for a determination that the proposed services fit within the independence guidelines and then considered for pre-approval at the next regularly scheduled Audit Committee meeting. A proposal to commence an engagement involving audit, audit-related or tax services prior to the next regularly scheduled Audit Committee meeting shall be made in writing by the Chief Financial Officer to all Audit Committee members and include a summary of the engagement, estimated maximum cost, the category of services and the rationale for engaging the Fund's independent auditor. Such proposed engagement can be pre-approved by any Audit Committee member who is an Independent Director. Pre-approval by the Chairman of the Audit Committee is required for a proposed engagement involving non-audit services other than audit-related or tax.

## **ADDITIONAL INFORMATION**

### **Adjournment or Postponement of Meeting; Other Matters**

If sufficient votes to approve Proposal 1 in the Notice of Annual Meeting of Stockholders are not received, the chairman of the Meeting may, without notice other than by announcement at the Meeting, adjourn the Meeting to a later date and time and place as permitted by the Fund's Bylaws until sufficient votes to approve Proposal 1 in the Notice of Annual Meeting of Stockholders shall be received. In the event a quorum is not present at the Meeting, any such adjournment date may not be more than 120 days after the Record Date (i.e., December 3, 2025).

While the Meeting has been called to transact any business that may properly come before it, the Directors know of no business other than the matter stated in the Notice of Annual Meeting of Stockholders. However, if any additional matter properly comes before the Meeting and on all matters incidental to the conduct of the Meeting, it is the intention of the persons named in the enclosed Proxy to vote the Proxy in accordance with their judgment on such matters.

The Fund expects that broker-dealer firms holding shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposal before the Meeting. The Fund understands that, under the rules of the New York Stock Exchange, such broker-dealers may, without instructions from such customers and clients, grant authority to the proxies designated by the Fund to vote on the election of Directors if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise discretion over shares held in their name for which no instructions are received by voting such shares in the same proportion as they have voted shares for which they have received instructions.

The shares as to which the Proxies so designated are granted authority by broker-dealer firms to vote on the matters to be considered at the Meeting, the shares as to which broker-dealer firms have declined to vote ("broker non-votes") and the shares as to which Proxies are returned by record stockholders but which are marked "abstain" on any matter will be included in the Fund's tabulation of the total number of votes present for purposes of determining whether the necessary quorum of stockholders exists. However, abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the election of Directors.

## Maryland Control Share Acquisition Act and Related Litigation

The Fund previously opted into the provisions of the Maryland Control Share Acquisition Act (the “MCSAA”). Generally, the MCSAA provides that a holder of “control shares” (as defined in the MCSAA) of a Maryland corporation (e.g., the Fund) acquired in a “control share acquisition” (as defined in the MCSAA) would not be entitled to vote its control shares except to the extent approved by the stockholders of the corporation at a meeting of stockholders by a vote of two-thirds of the votes entitled to be cast on the matter. Shares held by the “acquiring person” (i.e., the holder or group of holders acting in concert that acquires, or proposes to acquire, “control shares”) and any other holders of “interested shares” (as defined in the MCSAA) would not be entitled to vote on the matter.

Generally, “control shares” under the MCSAA are shares that, when aggregated with shares that are already owned by an acquiring person, would entitle the acquiring person to exercise voting power within the following range of voting power: one-tenth or more, one-third or more, or a majority of the total voting power of shares entitled to vote in the election of directors (other than voting power granted through a revocable proxy, which is not included in the calculation). The MCSAA does not apply (a) to shares acquired in a merger, consolidation or share exchange if the corporation is a party to the transaction, (b) to shares acquired under the satisfaction of a pledge or other security interest created in good faith and not for the purpose of circumventing the MCSAA, or (c) to acquisitions of shares approved or exempted by a provision contained in the charter or bylaws of the corporation and adopted at any time before the acquisition of the shares. Shares of the Fund’s common stock acquired prior to January 25, 2021, would not be “control shares” under the MCSAA. Those shares, however, would be included in assessing whether any subsequent share acquisition exceeds one of the enumerated thresholds. Stockholders (together with any “associated persons” (as defined in the MCSAA)) that own less than ten percent of the shares entitled to vote in the election of directors would not be affected by restrictions on voting rights under the MCSAA.

On June 29, 2023, an action was filed against RGT and numerous unrelated funds in *Saba Capital Master Funds., Ltd., et al. v. Clearbridge Energy Midstream Opportunity Fund, Inc., et al.*, No. 1:23-cv-05568 (S.D.N.Y.), but not the Fund, that sought rescission of the defendants’ election to opt into the provisions of the MCSAA. On January 4, 2024, the U.S. District Court for the Southern District of New York issued an opinion and order that, among other things, declared that the control share resolutions (i.e., including the provisions discussed above) at issue violate a provision of the Investment Company Act and ordered that those resolutions “be rescinded forthwith.” Following an appeal by RGT and the other remaining defendants, the district court’s judgment was affirmed in full by the United States Court of Appeals for the Second Circuit on June 26, 2024.

On or about September 24, 2024, RGT and certain defendants filed a petition with the U.S. Supreme Court for a writ of certiorari to review the June 26, 2024, judgment of the Second Circuit. On June 30, 2025, the Supreme Court granted certiorari, agreeing to resolve a circuit split over whether private parties have an implied right of action to enforce certain provisions of the Investment Company Act of 1940.

If the disclosure is made on the Fund’s website, the Fund must disclose that fact in its annual proxy statement and provide the website address. The Audit Committee may delegate any portion of its authority, including the authority to grant preapprovals of audit related services and permitted non-audit services, to a subcommittee of one or more members of the Audit Committee pursuant to preapproval policies and procedures established by the Audit Committee; provided, however, that the Audit Committee may not delegate preapproval of the audit required by the Securities Exchange Act of 1934. Any decision of such subcommittee of the

Audit Committee to grant preapprovals shall be presented to the full Audit Committee at its next regularly scheduled meeting.

The function of the Audit Committee is oversight; it is the responsibility of Fund management to maintain appropriate systems for accounting and internal control over financial reporting, and the responsibility of the Fund's independent accountants to plan and carry out a proper audit. Specifically, Fund management is responsible for: (1) the preparation, presentation and integrity of the Fund's financial statements; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The Fund's independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the Fund's independent accountants.

Although the Audit Committee is expected to review appropriately the matters that come before it, such review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the Fund's independent accountants for auditing, the financial statements. Members of the Audit Committee are not employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Board reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Board reasonably believes are within the person's professional or expert competence; or (3) a committee of the Board.

#### **IV. Meetings**

The Audit Committee shall meet on a regular basis but no less frequently than annually. The Audit Committee periodically shall meet separately with the Fund's independent accountants, Fund management, and representatives of Fund management responsible for the financial and accounting operations of the Fund. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

#### **V. Assistance from Fund Management; Authority to Engage Advisers; Funding**

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Audit Committee may request. The Audit

Committee shall have the power and authority to take all action it believes necessary or appropriate to discharge its responsibilities, including the power and authority to retain independent counsel and other advisers. The Fund shall provide for appropriate funding, as determined by the Audit Committee as a committee of the Board, for payment of: (i) compensation to the Fund's independent accountants or any other accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Fund, (ii) compensation to any advisers employed by the Audit Committee under this Section V, and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its responsibilities.

# **CHARTER OF THE NOMINATING COMMITTEE OF THE BOARD OF DIRECTORS/TRUSTEES FOR THE ROYCE FUNDS LISTED IN APPENDIX A HERETO**

## **Organization**

The Nominating Committee (the “Committee”) of the Board of Directors/Trustees for the registered investment companies (each, a “Fund”) listed on Exhibit A attached hereto shall be composed solely of Directors/Trustees who are not “interested persons” of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”), and who are “independent” as defined in the applicable listing standards of the national securities exchange or national market quotation system (each, an “Exchange”) on which a Fund is listed or quoted (the “Independent Directors”). The Board of Directors/Trustees of the Fund (the “Board”) shall appoint the members of the Committee (which may or may not be all of the Independent Directors) and shall designate the Chairman of the Committee. The Committee shall have authority to retain its own counsel and other advisers the Committee deems appropriate and shall have the sole authority to approve the compensation and other terms of their retention.

## **Responsibilities**

The Committee shall identify individuals qualified to serve as Independent Directors of the Fund and shall recommend its nominees for consideration by the full Board.

## **Identification and Evaluation of Potential Nominees**

In identifying and evaluating a person as a potential nominee to serve as an Independent Director of the Fund, the Committee should consider among other factors it may deem relevant:

- the contribution which the person can make to the Board, with consideration being given to the person’s business and professional experience, education and such other factors as the Committee may consider relevant;
- the character and integrity of the person;
- whether or not the person is an “interested person” as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund;
- whether or not the person has any relationships that might impair his independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates;
